

## How to find Casa de las Flores

---

Casa de las Flores is quite easy to find and is located in a prominent position above Órgiva. If coming from Granada, turn left just after the first BP garage onto the A4132 towards Bubión, Capileira, Carataunus and Trevélez. If coming from the south (Málaga, Salobreña, Motril, Almería), drive through Órgiva on the A348 towards Lanjarón and just after the bridge turn right on the A4132. The road will wind up the hill and after 2.8km you will pass a turning to the left to Cañar. Remain on the main road for another 400 meters and you will see a large cave in the hillside on the left. Turn into the wide driveway on the right opposite the cave. Take the track and you will find Casa de las Flores at the end on the right after about 250 metres. Park in the spaces indicated for your apartment (Jazmin, Buganvilla and Geranio at the top of the drive and Rosa and Camelia at the bottom of the drive).

Please check-in at Reception, which is in Apartment No 3 (Geranio). Your hosts are Michael and Vickie Weller. You will need to make your refundable breakages deposit (€150) and collect your keys. If you are arriving late, please let them know and they will make appropriate arrangements.
